**Looking for a way to reduce textbook costs?**

Search for "No-Cost or Low-Cost Course Material" (NoLo) classes offered here!

- NoLo courses include textbooks & other course materials that cost less than \$40 and are often FREE, saving you lots of money!
- In less than one year, CCSNH students have saved well over \$500,000 by taking classes that use NoLo materials.
- NoLo materials may consist of online/printed textbooks, workbooks, multimedia, Open Educational Resources (OER) and other things like calculators, homework licenses, etc.

Ask your instructor, advisor, librarian or registrar about NoLo textbook options, and be sure to search for "No-Cost or Low-Cost Course Material" when registering!
