ARTICULATION AGREEMENTS

- Understanding that success and career longevity require life-long learning many of our graduates have gone on to complete their Bachelor's, Master's and Doctorates degrees in Nursing.
- To that end, NCC offers articulation agreements with:
 - Franklin Pierce University
 - Granite State College
 - Rivier University
 - Southern New Hampshire University

The image features a central white diamond shape on a light gray background. The diamond is formed by two overlapping, semi-transparent blue bands that create a white outline. The background is decorated with several overlapping, semi-transparent geometric shapes: a large blue diamond, a smaller yellow diamond, and a blue square, all arranged in a pattern that complements the central diamond. The text "Application Process" is centered within the white diamond in a bold, black, sans-serif font.

Application Process

LPN to RN Students

- *Must have an Active LPN License (Does Not Need to be from NH)*
- *Applicants must show documentation of completion of Human Growth and Development and A&P II with a C+ or higher prior to entering the program in the Spring Semester*
- *Must complete the NACE exam with a 74% or higher.*

Transfer Students

- *Intro to Psychology and Human Growth and Development must be no more than five years old from the start of the first nursing course with a minimum grade of C+*
- *Nursing credits must be no more than five years old from the start of the first nursing course with a minimum grade of B-.*
- *Applicants must submit a letter of reference on a school letterhead from the director of the Nursing program at the previous school.*
- *Must complete the NACE exam.*

Deadlines

- ASN applications must be completed by March 1, 2021 to be considered for acceptance in the Fall 2021 class.
- Licensed practical nurses may have the opportunity to transfer into the ASN program with advanced standing in the spring semester of the first year on a space-available basis. Applications are due by November 1, 2020.

To sign up for the TEAS[®], please go to www.atitesting.com. The registration fee is \$100.00 and is paid directly to ATI during the online registration process.

<u>Test Date</u>	<u>Time</u>	<u>Location</u>
Tuesday, August 11, 2020	4:30pm – 8:30pm	REMOTE
Tuesday August 25, 2020	4:30pm – 8:30pm	REMOTE
Tuesday September 15, 2020	4:30pm – 8:30pm	REMOTE
Tuesday September 29, 2020	4:30pm – 8:30pm	REMOTE
Wednesday October 14, 2020	4:30pm – 8:30pm	REMOTE

Seating is limited. Register early!

TEAS

- Test of Essential Academic Skills (TEAS) by Assessment Technologies Institute (ATI) with an adjusted individual score in the following categories:
 - Reading – 74.50% or better, Math – 68.80% or better, Science 55.3% or better and English 66.7% or better.
- The TEAS must be taken within two years prior to the start of the first nursing course.
- See www.atitesting.com for more information about preparing for the test and to register for the TEAS.

FAQ's

- *While doing labs, what is the pace like? Is it quick, moderate or does it depend on the student's way of learning?*
- *If a student is struggling what kind of assistance do instructors offer? Is there an open-door policy? When personal struggles overwhelm students, what do instructors do to ensure their success and in what ways are they supportive?*
- *Are there designated times for students to come in for additional help? If not, is there a way of creating that option?*
- *When will we experience clinicals and what are they like?*

FAQ's

- *If I don't have all of my pre-requisites completed, what do you suggest we do as an alternative to begin our pathway to Nursing?*
- *How long are lectures and how long are clinicals?*
- *Is there a certain area of Nursing that we will be working on each term and what are they?*
- *What grades are required in the nursing program?*
- *Are there any accommodations for selection of clinical sites if far from home?*
- *Why NCC (vs. Manchester, NHTI, St.Anselm)?*

We're Here Every Step of the Way

Mackenzie Murphy
Enrollment Specialist
(603) 931-9896
Mmurphy@ccsnh.edu

Mackenzie is a 2017 graduate of Nashua Community College. Mackenzie graduated from Nashua Community College with an Associates Degree in Education, and graduated from Granite State College with a B.S. in Business Management and Psychology. She is currently studying for her Master's Degree at Southern NH University in Higher Education Administration and is thrilled to be working at Nashua Community College!

Lisa Gray
Nursing Professor
(603)578-8900 x1549
lgray@ccsnh.edu

Lisa Gray has been a registered nurse for 35 years. She has worked in various areas of the hospital as a nurse in community education, management, medical-surgical, OR and PACU and as a Labor and Delivery nurse. Lisa has taught as a clinical adjunct at UNH and NCC and currently been a full-time faculty at the NCC Nursing Department for 9 years.

Contacts

**Jeanne Hayes,
EdD, MS, RN, CNE
Director of Nursing
jhayes@ccsnh.edu**

Jeanne is the Director of the Nursing Program at NCC. She has devoted 38 years in Nursing Education. She has a Doctorate in Education from Umass Amherst, earned her Master’s Degree from Boston College and earned her Bachelor’s degree from Worcester State University from the Worcester Hahnemann Hospital School of Nursing.

**Tyler Waite RN, CNP
Freshman Lead Associate
Nursing Professor
twaite@ccsnh.edu**

Originally grew up in the eastside of Washington State, Tyler has spent the last 12 years traveling east in pursuit of further medical and nursing education study. He Graduated from University of Michigan-Ann Arbor with a Master’s in Nursing, specializing in Pediatric Primary Care. He finds purpose in impacting the potential growth and development of an individual, whether it be a child in the clinic or a student in his classroom. He spends his days either giving children stickers for their bravery in the healthcare settings, helping nursing students connect the complex dots, or personally creating something beautiful to read, listen to, or look at.
