| Satisfied | 91.7% | 11 |
| Neither Satisfied or Dissatisfied | 8.3% | 1 |
| | | Totals: 12 |

13. Please share any comments about your experience at this clinical site.

| ResponseID | Response |
|------------|---|
| 1 | The nursing staff was very helpful and supportive |
| 4 | It was a good site, we saw many different things |
| 6 | I felt as if 4W really facilitated my learning experience and the nurses and staff were more than helpful when I needed help. Many of the nurses would quiz me on the spot when providing patient care which forced me to really implement my knowledge |
| 8 | I'm very appreciative for the support of the RNs and LNAs in this unit. They made us feel like part of the team! |
| 9 | no comment |
| 10 | I found the staff to be extremely helpful and willing to answer any questions we had. |
| 11 | Nurses could be more supportive and open to learning and teaching students. |

| | | | Totals: 10 |

6. Please share any comments about your experience of clinical learning online.

| ResponseID | Response |
|------------|--|
| 1 | It was a unique experience, and I am hoping it prepared us for really practice. I enjoyed it, but there was a lot of paperwork. |
| 2 | It was very difficult at first to adjust to online clinical's, however, when the workload was reconfigured it made a big difference. I miss the hands with patients and interaction with classmates and Professors. Overall positive experience. |
| 7 | no comment |
| 10 | I actually really really enjoyed this. We got to pick patients and I already what I needed to. Seeing the patient scenario with the content of the week really helped to learn and understand it. |
