

8.7 Parts Ordering

All parts that are required to complete certain tasks in classes, are ordered by instructors through local auto parts suppliers.

Parts are purchased using Purchase orders generated in the Mitchell1 TeamWork SE program. PO purchases are paid by the business office through an account setup exclusively for parts purchasing.

The following vendors are currently used during the course of the semester:

CarParts/AutoValue of Nashua 15-17 Railroad Square Nashua NH03064
