Question: What has been the most effective in helping you learn?

Response

What has been the most effective in helping you learn?

The flexibility of the teacher, and her willingness to work with the class rather than against the clock.

What has been the most effective in helping you learn?

Good spacing between the assignments and good interactions between teacher and students

What has been the most effective in helping you learn?

When I read them a second time

What has been the most effective in helping you learn?

The most effective in helping myself learn was how she was always willing to take her time and help me through whatever I needed and how she was always understanding.

What has been the most effective in helping you learn?

The most effective in helping me learn is doing one-on-one with my professor.

Question: What has been the most effective in helping you learn?

Response

What has been the most effective in helping you learn?

Talking one on one and being able to talk about anything ~~you're~~ I'm having trouble with

What has been the most effective in helping you learn?

having an onconone conversation helps me learn. I understand alot better and I'm able to get my work done alot easier.

What has been the most effective in helping you learn?

... The teacher (Mrs. [redacted]) has been a very good teacher for all of us. I think we all understand her teaching style and it works best for us.

Question: What suggestions would you make for improving the organization of the course?

Response

What suggestions would you make for improving the organization of the course?

None

What suggestions would you make for improving the organization of the course?

Maybe going over the homework in class before putting it on the blackboard would help.

What suggestions would you make for improving the organization of the course?

That we do more hands on stuff

Question: What suggestions would you make for improving the organization of the course?

Response

What suggestions would you make for improving the organization of the course?

Maybe do the research paper in the middle of the course instead of leaving it for the end of the course.

What suggestions would you make for improving the organization of the course?

My suggestions are use the syllabus a bit more. Use the Book more often, and have more Journal entries. (Free write).

What suggestions would you make for improving the organization of the course?

The organization is already perfect

What suggestions would you make for improving the organization of the course?

Keep the class small it helps alot of students do better in their work because their is more time for them to ask questions and learn quicker.

What suggestions would you make for improving the organization of the course?

..... Notions Mrs. [redacted] is already doing (like she is the instructor)
 Team Hacks cause she has multiple ways of teaching/adapting.

Question: How well did the instructor increase your knowledge & understanding of the subject?

Response

How well did the instructor increase your knowledge and understanding of the subject?

How well did the instructor increase your knowledge and understanding of the subject?

I mostly just relearned stuff I learned in high school but it was a very good refresher.

Question: How well did the instructor increase your knowledge & understanding of the subject?

Response

How well did the instructor increase your knowledge and understanding of the subject?

Did a really good job and will always have time to help us.

How well did the instructor increase your knowledge and understanding of the subject?

Extremely well; I feel more confident in my writing and grammar than I did from high school.

How well did the instructor increase your knowledge and understanding of the subject?

She helped me grow better into my writing skills.

How well did the instructor increase your knowledge and understanding of the subject?

Everything I wasn't already familiar with was gone over

How well did the instructor increase your knowledge and understanding of the subject?

She did great she refresh my memory back and I also learned so new things

How well did the instructor increase your knowledge and understanding of the subject?

----- She [redacted] help all of us out a lot (& learning)

Question: What changes would you suggest to improve learning in this course?

Response

What changes would you suggest to improve learning in this course?

Question: What changes would you suggest to improve learning in this course?

Response

What changes would you suggest to improve learning in this course?

Not talk about politics so much

What changes would you suggest to improve learning in this course?

Try to go back and proofread all of my essays and try to find my mistake.

What changes would you suggest to improve learning in this course?

To maybe start writing the essays in class after introducing the paper.

What changes would you suggest to improve learning in this course?

I would of liked to use the English book some more, and have done more writing in my journal

What changes would you suggest to improve learning in this course?

What changes would you suggest to improve learning in this course?

I think we should of had more time, one so I know my instructor better and so I could learn more from her.

What changes would you suggest to improve learning in this course?

So... OM... IT'S fine as it is
