## **ARTICLE 4 ASSOCIATION RIGHTS**

### *A. CCSNH – Association Communication*

It is agreed that the CCSNH Administration and Representatives of the Association shall endeavor to meet periodically to discuss issues of mutual concern.
2. The CCSNH agrees to allow the Association and covered adjunct faculty the use of its messenger mail service and electronic mail system(s) for internal Association business, provided that said mailings are clearly identified as the business of the Association and that such use of the electronic mail system(s) is conducted in accordance with the CCSNH computer use policies and procedures.

The Parties agree that in all cases the principles of "Weingarten", "Garrity", and "Loudermill" and other applicable case law shall be observed.

7. The CCSNH shall provide to the Association, upon its written request to the CCSNH Director of Human Resources, such information and data as are necessary for collective bargaining with the following stipulations:
  - a. Such information will be made available within reasonable time frames, normally within fifteen (15) calendar days of said request.

Such requests shall be processed in accordance with college policies and procedures related to public facility usage by a non-profit and/or tax exempt organization.

## **ARTICLE 5 ASSOCIATION DUES AND AGENCY FEE**

2. The Association agrees to comply with New Hampshire and federal law regarding the implementation and notice requirements of agency fees. In doing so, the Association shall inform covered adjunct faculty of their right to object to the amount of agency fee and their right to object to the payment of an agency fee to a public employee labor organization based on their religious belief.
3. The CCSNH shall refuse to enforce the fee requirement if the CCSNH believes that the amount of the fee exceeds the prorated share of the actual cost of negotiating and administering the Collective Bargaining Agreement. As a remedy, the Association shall file an unfair labor practice charge against the CCSNH for breach of contract.

1. CCSNH agrees to deduct, in equal installments, the regular annual membership dues or agency fee of the Association from the pay of each covered adjunct faculty of the bargaining unit, who indicates in writing that he/she wishes such deductions to be made. The Association will provide the CCSNH

2. The amount to be deducted shall be certified by the Association to the CCSNH. Remittance to the Association shall be made in accordance with the established payroll procedures of the CCSNH. Consultation requests by the Association shall be made to the Chancellor or to the appropriate College President, for college related matter(s). Consultation requests by the CCSNH shall be made to the President of the Association. Agendas shall be agreed upon within seven (7) days of such meetings. Such meetings shall not be for purpose of negotiations nor for the resolution of grievances.

5. Failure of the Grievant, at any step of this procedure, to appeal the grievance to the next step of the procedure within the time limits specified shall be considered acceptance by the Grievant of the decision rendered at the last step.
6. Failure on the part of the CCSNH to comply with the time limit requirements of this Article shall elevate a grievance to the next step unless the Parties have agreed to extend the time limit requirement.
7. The time limits prescribed in this article may be extended by mutual agreement.
8. A Grievant may withdraw his or her grievance at any point in this procedure.
9. Any resolution of a grievance shall not be inconsistent with the terms of the Agreement.

*C. Informal Consultation*

The Grievant shall attempt to solve his or her grievance expeditiously by discussing the disputed matter in an informed and informal manner with the parties directly involved.

*D. Formal Grievance Process*

1. Step One – Grievant and Vice-President for Academic Affairs
  - a. If informal discussion has failed to achieve a satisfactory resolution, the Grievant and/or the Association may file a formal written grievance to the Vice-President for Academic Affairs. The written submission shall include a statement of all the facts pertaining to the problem, specifying the Article(s) and Section(s) which have been allegedly violated and the remedy sought. It shall also include any documents supporting the complaint.
  - b. The formal grievance shall be filed within twenty-one (21) calendar days from the time the Grievant knew or should have known of the alleged violation.
  - c. The Vice-President shall schedule a meeting with those concerned as soon as practicable after receipt of the written notification of appeal. Such meeting shall be scheduled within twenty-one (21) calendar days from the date of filing of the Step One grievance.
  - d. The Vice-President shall notify the grievant or his/her representative in writing of the decision reached within twenty-one (21) calendar days after the meeting.

- e. If the parties are able to resolve the grievance, then the terms of the resolution, including any remedy agreed upon, will be implemented promptly and in good faith by all parties.

## 2. Step Two – Grievant and College President

- a. If the grievance is not resolved to the Grievant's satisfaction during Step One of the formal process, the Grievant and/or the Association may file a formal written grievance to the College President within twenty-one (21) calendar days from the date of the written decision rendered in Step One. The written submission shall include a statement of all the facts pertaining to the problem, specifying the Article(s) and Section(s) which have been allegedly violated and the remedy sought. It shall also include any documents supporting the complaint and the decision(s) rendered through the grievance proceedings.
- b. The College President shall schedule a meeting with those concerned as soon as practicable after receipt of the written notification of appeal. Such meeting shall be scheduled within twenty-one (21) calendar days from the date of filing of the Step Two grievance.
- c. The College President shall notify the employee or his/her representative and his/her immediate supervisor in writing of the decision reached within twenty-one (21) calendar days after the meeting.
- d. If the parties are able to resolve the grievance, then the terms of the resolution, including any remedy agreed upon, will be implemented promptly and in good faith by all parties.

  - a. The CCSNH and Association shall communicate promptly to choose the arbitrator no later than twenty-one (21) calendar days from the date of the demand for arbitration. If a mutually agreed upon selection cannot be made within such twenty-one (21) day period, then either party may request a list from the American Arbitration Association and selection shall be made in accordance with the rules of the American Arbitration Association.
  - b. The Arbitrator shall have no power to add to, subtract from, modify, or disregard any of the provisions of this Agreement. The arbitrator shall have the authority to frame the question(s) submitted for arbitration, to make an award, and to fashion the appropriate remedy. In the event the question before the Arbitrator is the arbitrability of the asserted grievance, the arbitrator shall first decide that issue and determine whether to hear the substance of the case. The arbitrator shall not be automatically disqualified from hearing the substance of the case by reason of determining arbitrability.

- c. Each party shall bear the expense of its witnesses and for preparing and presenting its own case. The compensation and expenses of the arbitration and the arbitrator shall be assessed by the AAA and the arbitrator and shall be shared equally by the CCSNH College and Association.
3. The CCSNH, the Association, and the grievant agree to abide by the decision of the arbitrator, which is final and binding on all parties. The CCSNH and the Association, however, retain rights to challenge the decision of the arbitrator, as provided for by law. Such appeals shall be filed to the Superior Court within forty-five (45) calendar days from the date of the written notice of the arbitrator's decision. In the event that an appeal is made to the Superior Court, the provisions of RSA 542, as amended, shall apply.
4. Unless otherwise mutually agreed, each arbitration hearing shall deal with not more than one grievance.

## **ARTICLE 8 APPOINTMENTS AND ASSIGNMENTS**

- A. All adjunct faculty appointments and assignments will be made by the VPAA of the college or his/her designee. Appointments shall be made on a semester basis and shall be limited in duration to the particular semester for which the covered adjunct faculty member is appointed. However, nothing shall preclude the CCSNH College in its sole discretion from offering a covered adjunct faculty an appointment for an entire academic year (Fall and Spring semesters only), as provided in Section B below.
- B. A covered adjunct faculty who has served for ten (10) consecutive semesters (Fall and Spring) at the CCSNH College may be eligible to receive an academic year appointment (Fall and Spring semesters) starting with the first Fall semester after completing ten (10) semesters at the CCSNH College. Academic year appointments shall be determined based on the curriculum and programmatic instructional needs of the College, enrollments, fiscal and/or operational conditions, and the credentials and qualifications, teaching experience, and satisfactory performance of the adjunct. Any such academic year appointments shall be made by the Vice-President of Academic Affairs, in consultation with the College President. Academic year appointments shall be limited in duration to the particular academic year.
- C. Each semester the college shall determine the courses to be offered to adjunct faculty members in the subsequent semester. By December 1 of each year, the College shall make available a tentative listing of whatever available positions there may be for the forthcoming Spring semester. By June 1 of each year, the College shall make available a tentative listing of whatever available positions there may be for the forthcoming Fall semester.
- D. Any covered adjunct who desires to teach for an upcoming semester may submit to the College a teaching availability form which shall indicate the course(s) that the adjunct is interested in teaching; the adjunct's particular availability for posted course offerings; the adjunct's general availability to teach in the upcoming semester, including the times and days of the week he or she can teach. Such form shall be submitted to the Vice-President of Academic Affairs of the college or his/her designee no later than February 15 for the forthcoming Fall semester and by October 15 for the forthcoming Spring semester. Appendix A – Adjunct Faculty Teaching Availability Form.

- E. An adjunct appointment letter will be issued by the college to the appointed adjunct faculty member as soon as practicable but not later than at least fourteen (14) calendar days before the start of a semester. A covered adjunct faculty member must endorse and return the letter to the college before the start of his/her assigned course. The Parties recognize that exceptions may be necessary to meet the instructional needs of the college.
- F. Cancellation or reassignment of a covered adjunct's course(s) will be made no later than five (5) calendar days before the start of the assigned course.
- G. If the college decides not to reappoint a covered adjunct faculty member for reasons of conduct or performance, the VPAA shall provide the particular reasons for the decision in writing to the adjunct faculty member. A college's decision not to reappoint a covered adjunct shall have a rational basis in fact. If the adjunct chooses, he or she may, within seven (7) days of receipt of the written notice, request a meeting with the Vice-President of Academic Affairs to discuss the Vice-President's decision. Such request shall be submitted in writing.

- D. Adjunct faculty shall be allowed to teach as many as twelve (12) credit hours per semester. However, it is understood that adjunct faculty are part-time faculty, teach a variable number of credits in an academic year and serve in a non-benefitted instructional position. If future interpretations of the Affordable Care Act (ACA) by federal governmental agencies and/or the courts conclude that an adjunct faculty workload could be deemed “full-time” for benefit purposes under the legislation, the CCSNH will meet and confer with the Association concerning how it intends to comply with the requirements of the ACA and the regulations promulgated thereunder. The CCSNH reserves the right to determine whether it is in compliance with the requirements of the ACA and the Association reserves its right to challenge whether the CCSNH is in compliance with the requirements of the ACA.
- E. A credit hour is the equivalent to one 50-minute session (contact hour) of classroom instruction per week for a semester of fifteen/sixteen weeks. The number of direct course meetings per term/semester may be adjusted proportionately to reflect modified academic calendars and formats of study.

## **ARTICLE 11 EVALUATIONS**

- A. The Academic Department Chair or his/her designee may evaluate the performance of covered adjunct faculty members, utilizing various sources of information including but not limited to: student evaluations; individual student commentary, both oral and written; review of the syllabi and other teaching materials; evidence of student learning; or classroom observations.
  
- B. Student evaluations shall be required in each course taught by a covered adjunct faculty member. Such evaluations shall be done on a form authorized by the CCSNH and college and in accordance with any college policy concerning such evaluations.
