

Activities and Organizations

Students at NCC have been most enthusiastic in organizing their own activities guided by faculty advisors. Student activities are similar to those found at other Community Colleges and are based upon student interest. These may include baseball, community service, golf, outing club, skiing, gaming, and of course, student government, to name a few. If you are interested in starting a new club, please see Amy Vazifdar upstairs in the Wellness Center-Room 204-Student Life Office.

Comunicado de la Política Antidiscriminatoria

Nashua Community College (NCC) se compromete a proporcionar un ambiente equitativo, que valora la diversidad y la inclusión, y que apoya la individualidad de cada miembro de la comunidad del campus.

NCC no discrimina en la administración de sus admisiones, programas educacionales, actividades, o prácticas laborales en base a raza, color, religión, origen nacional o étnico, edad, sexo, orientación sexual, estado civil, discapacidad, identidad o expresión de género, información genética, o estado de veterano. Esta declaración es un reflejo de la misión del *Community College System of New Hampshire* y *Nashua Community College*.

En NCC los programas de grado, certificado, y de formación profesional están designados a cumplir con las necesidades educacionales y del personal laboral del Gran Nashua. Oportunidades de carrera y educación técnica (CTE) serán otorgadas independientemente de la raza, color, religión, origen nacional o étnico, edad, sexo, orientación sexual, estado civil, discapacidad, identidad o expresión de género, información genética, o estado de veterano. NCC reduce las barreras hacia futuras carreras y oportunidades educacionales a los residentes del área, ayudándoles a mejorar sus habilidades con educación general y técnica, al mismo tiempo, que otorgándoles entrenamiento personalizado a la industria y ámbito empresarial. Refiérase a los detalles de los programas de CTE en nashuacc.edu.

El ingreso a específicos programas de grado, certificado, o de desarrollo laboral varían dependiendo en el programa y credenciales requeridos a través de los acreditadores designados.

Los programas de grado y de certificado requieren que los estudiantes completen una solicitud y el proceso de admisión a través del Departamento de Admisiones.

Ciertos programas requieren que los estudiantes tomen el examen ACCUPLACER® para cumplir con los requisitos mínimos para tener éxito en el programa y en la industria. Por favor, refiérase a los detalles específicos y requisitos de los programas en nashuacc.edu/academics.

NCC tomará medidas para asegurar que la falta de conocimientos del idioma Inglés no sea una barrera para la admisión y participación en programas educativos.

Las personas designadas a coordinar el cumplimiento con la sección 504 del Acta de Rehabilitación de 1973, el Acta de Americanos con Discapacidades de 1975, y el Título IX de las Enmiendas Educativas de 1972 están identificadas abajo.
