

## **Audio Visual Services**

The Walter R. Peterson Library and Learning Commons provides the campus with its audiovisual equipment needs. Available for loan to faculty are laptops, iPads, audio equipment, Owls, document cameras, digital still, and video cameras for NCC classrooms. Faculty can reserve equipment by emailing [NCCLibrary@ccsnh.edu](mailto:NCCLibrary@ccsnh.edu) or by calling 603-578-8905 during the library's open hours. It is the faculty member's responsibility to sign out the equipment and return it promptly to the library. If the library has closed, faculty should promptly return the equipment to an NCC Security Officer. No loaned equipment shall be left in classrooms or removed from campus.

All classrooms have wireless internet connection capability. Classrooms are equipped with computers, LCD projectors, and Eno electronic whiteboard technology. If instructors need training on the proper usage of these tools, they should contact Doug Pelczar, Academic Technology Specialist at [dpelczar@ccsnh.edu](mailto:dpelczar@ccsnh.edu)
