

## Department of Multicultural Engagement

Nashua Community College offers ESOL courses to meet the needs of the diverse student and community population. ESOL courses help students to better prepare for the academic expectations of higher education. Courses are listed by ESLN code in the catalog, and they are housed in the Department of ESOL/World Languages. While credits for ESOL courses do not count toward graduation, they do count for the purposes of receiving financial aid. In addition, the ESOL Director (Elizabeth Berry, ext. 1678) offers personalized appointments, drop-in office hours, and other support geared specifically to the cultural, emotional, and academic needs of ESOL students (or any students enrolled at NCC for whom English is a second language).

The Department of Multicultural Engagement offers a “Multicultural Awareness Workshop,” which can be tailored to meet the needs of faculty, staff, and students. The department sponsors a variety of multicultural events throughout the year, including Conversation Partners and International Café. ESOL students offer a wealth of cultural knowledge and world experience that benefit everyone at NCC! For more information about program offerings or to ask questions, faculty should contact Professor Elizabeth Berry at [eberry@ccsnh.edu](mailto:eberry@ccsnh.edu), or call 578-6912.

The Office of Student Life organizes campus events and provides leadership for student clubs and organizations. In addition, the office, which is located in Room 204 of the Wellness Center, coordinates student orientations and community service. The college recognizes the importance of co-curricular learning experiences and encourages students to take part in college events and clubs.
