

## 2022 AUTOMOBILE INSTRUCTOR QUALIFICATION SHEET

(an instructor qualification sheet must be filled out for each instructor)

Instructor Tim Hogan

(please print or type instructor's name)

ASE ID# (required) ASE-1677-4475

(as it appears on their certificate)

Are you a new instructor with the program?  No  Yes - Hire Date: \_\_\_\_\_

Please indicate the level of accreditation being sought:

Maintenance & Light Repair  Automobile Service Technology  Master Automobile Service Technology

Current ASE Certifications:	Expiration Date	MLR	AST	MAST
A1 Engine Repair	12/31/25		If taught	If taught
A2 Automatic Transmission/Transaxle	12/31/25		If taught	If taught
A3 Manual Drive Train & Axles	12/31/25		If taught	If taught
A4 Suspension & Steering	12/31/25	Required	If taught	If taught
A5 Brakes	12/31/25	Required	If taught	If taught
A6 Electrical/Electronic Systems	12/31/25	Required	Required	Required
A7 Heating & Air Conditioning	12/31/25		If taught	If taught
A8 Engine Performance	12/31/25		If taught	If taught
G1 Auto Maintenance & Light Repair	6/30/26	Required	Required	Required
L1 Advanced Engine Performance	6/30/26			If taught*
L3 Light Duty Hybrid/Electric Vehicles				Recommended**

**AST & MAST** programs must indicate areas being taught by this instructor

Engine Repair	<input checked="" type="checkbox"/>
Automatic Transmission/Transaxle	<input checked="" type="checkbox"/>
Manual Drive Train & Axles	<input checked="" type="checkbox"/>
Suspension & Steering	<input checked="" type="checkbox"/>
Brakes	<input type="checkbox"/>
Electrical/Electronic Systems	<input type="checkbox"/>
Heating and Air Conditioning	<input type="checkbox"/>
Engine Performance	<input type="checkbox"/>
Hybrid/Electric Vehicle Diagnosis & Repair	<input type="checkbox"/>

\*ASE certification in A8 & L1 is required for **MAST** program instructors teaching Engine Performance

\*\*ASE certification in L3 is recommended for **MAST** program instructors teaching Hybrid/Electric Vehicle Diagnosis & Repair

## HANDS-ON WORK REPORT FORM

Automotive instructors may substitute ten (10) hours of documented hands-on work as a technician in a retail or fleet automotive repair business outside the school (e.g., part-time work or summer externship) for one (1) hour of automotive industry update technical training, up to a maximum of ten (10) hours of update technical training each year, toward the annual update training requirement. The work must be related to the areas they teach and take place in the same year for which substitute credit is sought. The ASE Education Foundation reserves the right to verify all hands-on work information reported and determine whether it meets all requirements.

If you wish to use hands-on work as a partial substitute for update technical training, complete the form below and have it signed by the business owner or manager. Use a separate form for each 12-month period (calendar year or academic year).

Instructor's Name	
Business Name	
Business Type	<input type="checkbox"/> Dealership <input type="checkbox"/> Independent Repair Shop <input type="checkbox"/> Retail Chain Store <input type="checkbox"/> Fleet Repair Shop <input type="checkbox"/> Other (please specify)
Business Address	
Business Phone No.	
Owner/Manager's Name	
Owner/Manager's Title	
Dates worked	
Describe the work performed (must be as a service technician, <u>not</u> parts counter, service writer, etc.)	
Paid or Unpaid	<input type="checkbox"/> Paid <input type="checkbox"/> Unpaid
Total hours worked as a service technician	
Hours worked / 10 = training hours substituted	<b>(maximum of 10 hours of substitute credit)</b>
<b>I attest that the information provided on this form for this instructor's hands-on work is true and correct to the best of my knowledge.</b>	
Owner/Manager's Signature	
Date
